## Schedule A/B: Assets - Real and Personal Property

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. Position or relationship to debtor

The Debtors faced numerous challenges in preparing the statements, schedules and monthly operating reports for these Chapter 11 Cases. As discussed during an emergency status conference held before the Bankruptcy Court on December 22, 2023, an intervenor was placed in control of certain assets of the Debtor in Nicaragua. Communications with critical employees were cut off and a majority of the Debtors' employees and critical personnel resigned, limiting the Debtors' ability to collect information required for these financial reports. Thus, while the Debtors' management has diligently made every reasonable effort to ensure the accuracy and completeness of the financial reports, subsequent access to records could reveal additional information about the items identified in these financial statements, and inadvertent errors or omissions may have occurred. Given that the financial statements contain unaudited information, which is subject to further review, verification, and potential adjustment, and considering the limited availability of certain underlying historical data, they are presented as complete as practicable.
